Mr. Barry Stevens, Ph.D.

Invitation

Dear Mr. Barry Stevens!

After reviewing your CV I have come to a conclusion about whether you have an invitation to the Board of Directors of my company **AGRO FOOD HOLDING LILY, Ltd.** and **Altragen Energy Corporation European Branch** for the post of Chief Operating Officer.

Using your over 30 years of experience and outstanding knowledge in the areas of renewable energy technologies including: shale gas, upstream, midstream, and downstream natural gas supply chain, waste-to-energy, water treatment, wind and solar, we will be able to run the agricultural and energy projects in Latvia, Russia and around the world.

With your help, I hope to bring to my company's high-tech technology in the cultivation, production and processing of organic foods, as well as the development of green energy. Based on your experience and management style, we can attract into our projects the best American and international companies, investment funds, grant U.S. Department of Agriculture and the U.S. Department of Energy.

Welcome to the team!

Yours faithfully,
Gennady Smirnov
