March 20, 2014

Dear Barry Stevens,

On behalf of the students and faculty advisors of the Tulane Energy & Environmental Law Society we would like to thank you for participating in this year's Tulane Summit on Environmental Law & Policy.

Thanks to you and our other speakers this year's Summit was a major success. Together, we attracted over 500 attendees and brought attention to an incredible array of environmental issues.

We truly appreciate your support and contribution. We look forward to hearing from you in the future!

Sincerely,

Tulane Energy & Environmental Law Society
